

# SUTHERLAND

## SUTZ

### Quick Hook-Up

#### Cartridge Compatibility

Use only low output MC, less than 20 Ohms internal resistance. Not MM, nor high output MC.

#### Email:

[info@sutherlandengineering.com](mailto:info@sutherlandengineering.com)  
Phone: (816) 718-7898

#### Gain

Internally adjustable to HIGH, MED or LOW. There is plenty of gain for very low output MC cartridges. Even with the lowest output MC, background noise vanishes.
