

SUTHERLAND. DOS LOCOS

Quick Hook-Up Stereo

Cartridge Compatibility

Use only low output MC, less than 20 Ohms internal resistance. Not MM, nor high output MC.

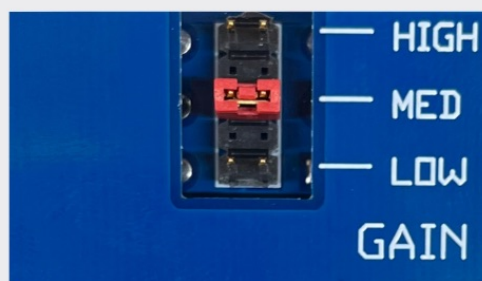

Email:

info@sutherlandengineering.com

Phone: (816) 718-7898

Gain

Internally adjustable to HIGH, MED or LOW. There is plenty of gain for very low output MC cartridges. Even with the lowest output MC, background noise vanishes.
